Grading Information

Select grade is likely to contain some boards that have a higher number of knots than Prime, and you should also expect some of these knots to be larger in size. There is a possibility of some sapwood and small cracks and filler are likely to be present. A greater level of colour variation in the timber is to be expected.

Installation and Warranty

Atkinson & Kirby recommend all floors should be installed by a competent installer. Atkinson & Kirby warranties apply only to floors that have been installed according to our fitting instructions found on our website.
