Brick

Porcelain Tiles

8,15x33,15 cm

The Bricktrend Collection features a three-tone base made up of soft shades of textured stone, enhanced by the small 8,15x33,15 cm format, which creates a thinner, trendier line, as the name suggests. The collection is completed with the addition of decorative bricks which match each of the base tones. Adorned with raised, classic motifs, engraved onto the stone itself and subtly worn down, for a romantic, timeless air.

Bricktrend is a reinterpretation of the brick as a design object, giving real added value to a space.
