

## Product Health & Safety Datasheet

<b>Product Name</b>	Novia VC8 Reflective VCL
<b>Hazard classification</b>	Non-Hazardous
<b>Component Materials</b>	PP non-woven/Aluminium film
<b><u>Health Hazard Information</u></b>	
<b>Inhalation (after combustion):</b>	There may be a minor health risk from prolonged inhalation following combustion and substantial burning. The major products are carbon dioxide, water, carbon monoxide and smoke particles. Symptoms may be nausea, dizziness or breathing difficulties. Any person affected should be moved to fresh air, and if necessary medical attention provided.
<b>Ingestion:</b>	The product has low toxicity, consult a doctor if required.
<b>Bodily contact:</b>	With melting product, cool the affected areas with plenty of cold water, cover with a clean cloth or sterile gauze and call for medical help. Do not try to remove from skin.
<b>Handling / storage:</b>	No special precautions are required. If surfaces become wet it may be slippery.
<b>Fire Hazards:</b>	Material is combustible. The material will melt and flaming molten material will spread fire.
<b>Fire Extinguisher type:</b>	Water, carbon dioxide, foam or dry powder may be used.
<b>Disposal:</b>	Can be disposed of at approved landfill sites and is recyclable. Material is not biodegradable.
