

# KÄRCHER

makes a difference

## - K 7 Compact 1.447-051.0

*Our most powerful compact pressure washer, the Kärcher K 7 Compact has all the power of a regular Kärcher in a small machine that's easy to store. With its long-life water-cooled motor, it stands up to frequent use for all your cleaning jobs around the home.*

### Features & Benefits:

- **Easily Switch Between Surfaces;** A Vario lance and Dirt blaster lance allow you to select the right pressure for cleaning any surface.
- **Effortlessly Apply Detergent;** Easily apply detergent to any surface with this model's integrated detergent suction tube.
- **Get To Work Instantly;** Get started with minimum effort. The Quick Connect system instantly links the high-pressure hose to the machine and trigger gun.
- **Easy To Pull And Store;** Select the perfect pulling height with the telescopic handle, which retracts completely to save space when you don't need it.
