

EASYTileAlign System

The quick and easy solution for ensuring a perfectly level patio

Fit it - Spin it - Snap it

Smooth, even surface.

EASYTileAlign System ensures that a smooth, even surface is achieved on calibrated, ceramic or porcelain tiles.

Easy-to-use and reusable*.

EASYTileAlign System is an easy-to-use levelling system that incorporates a tile spacer and levelling cap plus optional protective shields. After use, the screw caps and shields can be reused from job to job.

*Snapped spacers can only be reused as spacers and not level adjusters.

Levelling Caps
