Standard Deliveries

Availability

- A In stock
- B Limited stock or within 7 days
- C Made to order

Standard Delivery Days

- All deliveries are based on a Standard Day One (order placed before 14:00) for Day Three delivery between 08:00am and 17:00pm on Day Three of a normal working week. Subject to stock availability.
- Orders placed on a Thursday or Friday will be delivered on the following Monday & Tuesday respectively.
- We will endeavour to deliver all forward orders with a specific future delivery date as requested.

Standard Delivery Vehicle

- Standard Deliveries are based on a curtain-side articulated vehicle arriving at the destination point given on the order and being offloaded by the customers own MHE.

Offloading Time

- Thirty minutes is allowed for offloading per delivery. Additional time taken which may cause delays to the following scheduled deliveries will be charged at £40 per hour or any part thereof.
- Fines incurred for RED Route offloading will be charged at £100.

Delivery Notes (POD)

- All copies of the delivery note (Proof of Delivery, POD) must be completed fully with the clearly printed name and the signature of the person accepting the goods, with the day and time sections completed. Icopal accepts no liability or claims for late delivery if the delivery note has not been completed in full and correctly.
- Any damages or shortages, identified at the time of delivery, must be clearly noted on the POD before being returned to the driver. Icopal Sales Office must then be notified immediately to allow rapid resolution, return or replacement. Any errors, damages, shortages must be notified to the Icopal Sales Office within 48hrs if not evident at the time of delivery.

Standard Delivery Charges

- Order value over £1000 carriage free.
- Order value under £1000 are subject to a £90 carriage charge.
