THE AMAZING HEDGEHOG™

KEEPING GUTTERS CLEAR - ALL YEAR ROUND

Blocked gutters can be a constant worry: the lack of regular, and often precarious maintenance can cause irreversible damage to down pipes, roof tiles and gutters. This damage can, in turn, lead to more problems.

But now there's HEDGEHOG™ – a continuous polypropylene 'brush' which prevents the build up of wind-blown debris.

- Fits around corners to most types of gutter
- Fitted in minutes
- Virtually indestructible
- Pays for itself in no time *(No need for workmen's time)*
- Maintenance free
- Can easily be removed if necessary
- Stainless steel inner twisted wire centre
- Available in several diameters
- Available in black, brown and white
- 4" suitable for most domestic & deep flow guttering
- 5" suitable for commercial use

NB Please select the correct brush diameter. This is very important for a snug fit. The HEDGEHOG™ brush will be supplied to the nearest size. Just measure the inside gutter width - this leaflet, folded, is 4 1/8" wide and may help you gauge the correct diameter. (Diameters of brushes are approximate)

| LENGTH | WIDTH |
|------------------------------------|---------------------------------------|
| 5 metres (16' 4") | Available in 4" (100mm) or 5" (125mm) |
| Available in Black, Brown or White | Other sizes made on request |

- Stainless steel/polypropylene construction
- HEDGEHOG™ brushes are 5 metres long
- Can be shortened to suit
- Can easily be removed & replaced if necessary

NO MORE STICKS · NO MORE LEAVES · NO MORE MOSS · NO MORE BIRDS' NESTS · NO MORE SMALL STONES AND FRUITS
