

2 Section Loft Ladder

CODE **GL256**

Description:

This 2 Section Loft Ladder provides an effective solution to loft access when combined with a GL250 loft access door. The robust three sections, aluminium constructed unit is compact, lightweight and easy to fit.

Feature include: -

- Metal safety catch which prevents premature drop during smooth sliding ladder operation.
- Deep non slip Treads.
- Hand rail for extra safety.
- Rubber feet for extra stability.

A complete fitting accessory pack and fitting instructions are supplied with each ladder, including operating pole.

PACKING DETAILS	Individual package in protective shrink film
MATERIAL	Aluminum
WEIGHT	5Kg
MAX LOAD	100kG
