

## Step Ladder Safety

A step ladder is an important piece of equipment. Used correctly and safely a Youngman step ladder will provide many years of reliable use.

To help you get the most out of your step ladder please read carefully the do's and don'ts displayed here.

For further information please refer to the product safety labels or alternatively the Ladder Association ladder safety guide.

**Call: +44 (0)1621 745900 for more information.**

✗ Slip resistant foot missing

## Extension Ladder Safety

Correct angle for climbing a ladder

### Securing the Ladder

If it is impossible to secure the ladder by tying it, ask another adult to 'foot' the ladder by standing at the bottom with one foot on the bottom rung while gripping the stiles with both hands, while you are working.

For further information please refer to the product safety labels or alternatively the Ladder Association ladder safety guide.
