Freefoam

Freefoam is a leading manufacturer of plastic building products including a wide range of window boards, window trims and accessories, rainwater systems, fascias, soffits, external cladding and interior decorative panelling. Freefoam's products offer home owners, house builders, local authorities, developers and installers a low-maintenance alternative to conventional building materials. In addition, Freefoam's products are stylish, versatile and come in a large range of colours and designs to add style and definition to domestic and commercial buildings. All Freefoam manufacturing plants have achieved ISO 9001:2000 certification which ensures that processes are in place for continuous improvement.

Freefoam Window Boards, Trims and Accessories

Freefoam offers an extensive range of high quality PVC-U and PVC-UE window boards, trims and accessories. The products come in a wide range of different designs and sizes to cater to the diverse range of preferences and applications in today's market. In addition, the products are available in a range of colours including white, black, leather brown, wine red, rustic green, regal blue, pale gold, sable, storm grey, dark grey, caramel and woodgrain finishes including light oak, mahogany, rosewood, black ash and cream.
