

Declaration of Performance (DoP) No. 100

according to CPR = Construction Products Regulation 305/2011/EU (CPR=Construction Products Regulation) 305/2011/EU

1.	Product type according current product overview	FASERFIX KS 100 Drainage channels made of concrete Type M product range overview on www.hauraton.com
2.	types	FASERFIX KS 100 L 500/1000mm, W 160mm, H 80 - 280mm
3.	intended use	Intake and derivation of surface water in areas for pedestrians and/or trafficked areas
4.	Manufacturer	HAURATON GmbH & Co. KG Werkstraße 13 76437 Rastatt / GERMANY Tel.: +49 7222 958-0
5.	Representative	not relevant
6.	System for assessment and verification of DoP	3
7.	Notified body (who made the initial test of the product and issued a test report)	Material-Prüfanstalt (MPA) am Institut für Massivbau und Baustofftechnologie der Universität Karlsruhe, Zulassungs-Nr.: 0754
8.	Notified body with information on their activities for above product type according European technical evaluation:	not relevant
9.	declared performance of the construction according to the harmonized technical specification	EN 1433:2002 + AC:2004 + A1:2005

Essential characteristics	Performance
Water tightness (connection of elements)	fulfilled
Carrying capacity	up to class F 900 acc. point 1
deformation under load	not relevant (because channels are no covers or gratings according to EN 1433)
durability	Level 2, identification according to table 1, EN 1433
levels for consistency compared with weather effects	For channels made out of concrete approved for increased resistance against frost and road salt: marked +R according app. B EN 1433

10. Legally binding declaration and signature

The performance of the product in accordance with Nos. 1 and 2 corresponds to the declared performance of No. 9. The manufacturer is responsible for creating this declaration of performance in accordance with No. 4.

Rastatt, 12.06.2013

Signed on behalf for the manufacturer and in the name of the manufacturer
