Distribution Boxes & Accessories

12" D-Box

20" D-Box

Product Description:

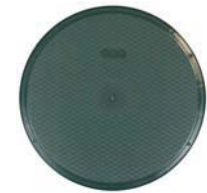

The Polylok distribution box is the most versatile box of its type on the market today.

Product Features:

- Choose what height you want the inlet or outlet pipes to be.
- Light weight, durable and a strong distribution box.
- Easily sealed around this inlet and outlet pipes with the purpose made 110mm and 150mm seals with and securing nut.
- Seals can be used as a stopper or seal and will accept a variety of pipe sizes.
- Easy to fit and seal the purpose made risers to bring the box cover up to finish ground level.
- Can be supplied with Roto-Flow liquid levellers.
