

No. 03 SLIM-LINE

Internal Doors

Invite light in and make a statement.

Totally contemporary

The perfect statement door for modern apartments and homes with design at their hearts.

Well-lit living

A slim timber frame means the door is made largely of glass, allowing light to flood into a room, creating a warm and inviting environment.

Style and substance

A more cost-effective solution than metal, this door's pre-painted timber frames offer the same style and strength at a fraction of the price.

Find yours

Available in different styles, and a choice of black and grey offering on-trend colours to suit well-designed homes.

Finishing touches

Each door is supplied with a contemporary pull handle available in a selection of colour options, so you can choose the finer details.

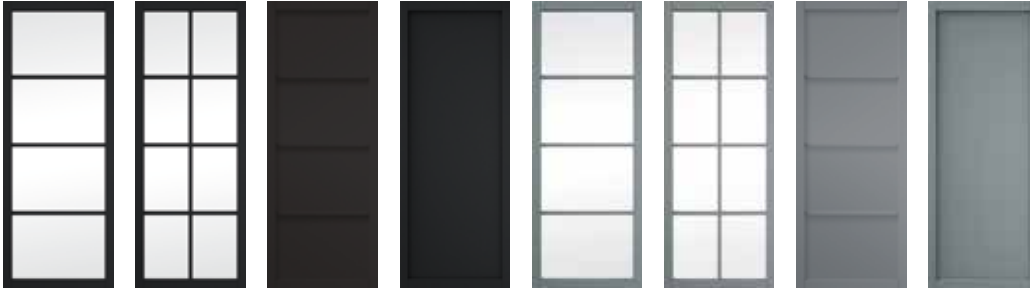

Slim timber profiles

Features & benefits:

- Luxury urban style
- Slim timber profiles
- Fully-finished ready to install
- Choice of handles
- 5-year guarantee
- Toughened safety glass on glazed doors

Finish	Fully finished
Colour options	• Noir RAL 9011 • Gris RAL 7046
Glass specification	8mm Clear Toughened Glass
Hardware details	• Stainless steel pull handles - black / copper / silver • Silver ball latch included
Decoration requirements	These doors are fully finished and ready to hang. You may need to decorate the edges if you need to trim. In that case you can use the touch up paint provided with the door.
Storage	Doors must be stored flat in cool, dry conditions avoiding direct contact with sunlight before the door has been finished.
Trimming allowance	If the door is to be reduced in size, an equal amount of timber should be trimmed from either side or bottom, this must never exceed 10mm in total, 5mm each side and 6mm from the bottom. We do not recommend trimming the top of the door.
Guarantees	5 Year Manufacturing
Sustainability	FSC Mix 70%
Additional information	Paint pot included
